

TARC News

Volume 2 ISSUE 8 February 2023

Publisher, Tom Fuller

Editor Tom Fuller

TARC Continues.

February was kind of a slow month after a busy January with Hamcation and Winter Field Day, I had time to slow down a bit.

Its not that I didn't have things to do. We got the voter system that I talked about in January and looking into how it works and how to connect to our repeaters for linking.

This will be mounted at the Titusville Towers 146.97 repeater site. This is going to be an on going process and may take awhile to complete.

Also looking ahead to the Mosquito Net Tailgater on March 25 at Sand Point Park this year. Starting at 7am and going to noon. Bring all your stuff to sell or trade.

V/P Barry Kennedy N4NMF is working on getting people to give talks on various subjects to bring to the club meetings. If you have something to contribute contact Barry.

We are also looking at The Florida QSO Party April 29th and 30th. To Quote the website “ Florida QSO Party has become the fastest growing and most popular State QSO parties around today. This is due in part to the tremendous effort by mobile teams to activate as many counties as they can in order to allow those participating from out-of-state, to achieve a county sweep, working all 67 counties.”

this sounds like another good time to practice your contesting skills and have fun.

Thanks to Marty Groves KJ4LQX for bringing this to our attention, Google 2023 Florida QSO Party, for more information.

Our goal is to bring more activities and things to do at club meetings and through out the year. Your input is always appreciated.

Personally I have had my hands full with a 1976 GMC motorhome project that I think most of you have heard about. Purchased in Oregon last year, wife and I drove it back to Florida, leaving pieces at every stop. It was in rough shape and I had a long project ahead of me. We took it to Orlando to a place that specialized in working on these. New wiring, new dash, new rear suspension, and several other things. I got it back and then the motor broke.

I got some help from a man from North Carolina who had equipment to pull the motor out and replace with a new rebuilt motor. Now known as the Arrgh-V we hope to be able to enjoy it.

Happy Trails Ya'all
Tom KN4GLO

February minutes

The meeting was called to order and said the pledge, and introductions were made. Secretary Treasure report made and approved.

Tom started the meeting telling everyone about Winter Field Day.

We had a good turnout for our first one and everyone had a good time.

We have The Mosquito Net Tailgater coming up on March 25th. It will be held at Sand Point Park on the North corner closest to the Marina. The time is 7am to noon. Everyone bring your items to sell or trade.

Marty KJ4LQX brought up another contest he thought the club would like to participate in.

Meeting was adjourned and refreshments enjoyed.

Sally Fuller KN4HPX
